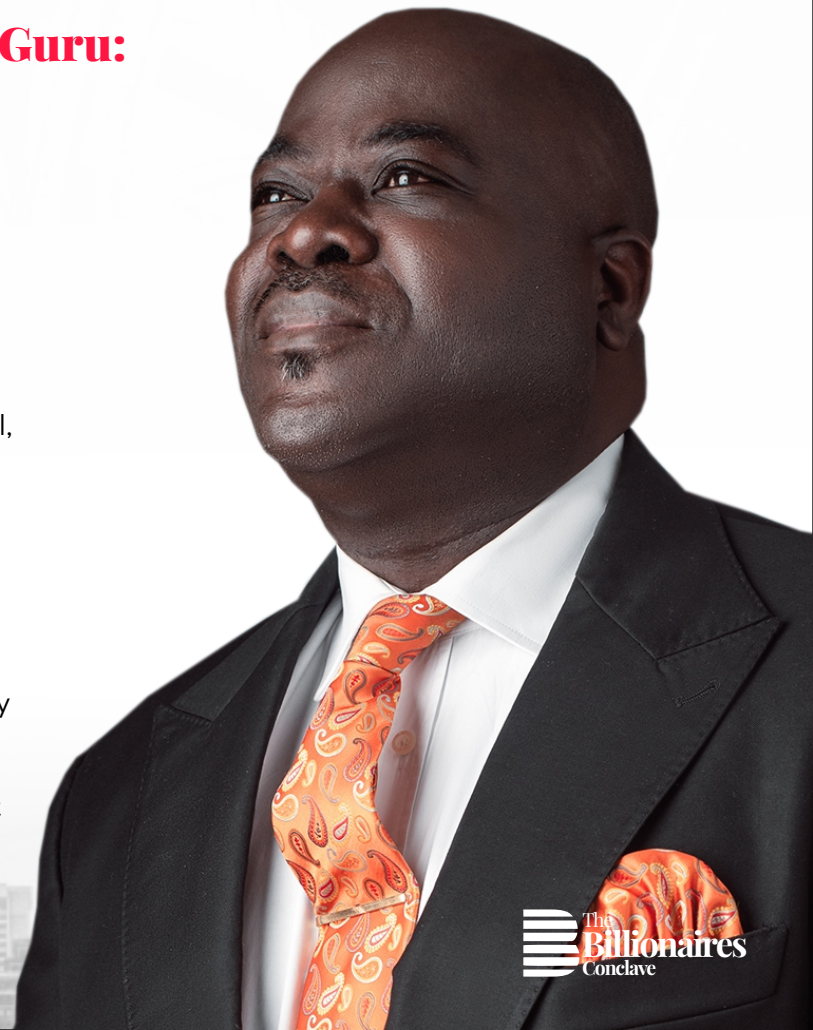
Phenomenal Common Sense Guru: Dr. Olumide Emmanuel

For thirty years and counting, Dr. Olumide Oladapo Emmanuel, has consistently consolidated the strength and stability of his personal brand, deploying diverse creative platforms.

Call him any of these and you won't be wrong: a Pastor, Businessman, Coach/Mentor, Role model, Creative thinker, Motivational speaker, Entrepreneur, Wealth creation agent, Leadership/talents groomer, Resource person, Consultant, and Administrator.

What perhaps stupefies a lot of his teeming followers, protégées and admirers is how he has tactfully managed all these portfolios compactly over the decades.

Another wonder for many others is the fact that he has been able to make such humongous impact on a global scale so far earlier than his midlife. It's spellbound amazing that he only



Phenomenal Common Sense Guru: Dr. Olumide Emmanuel

turned 50 on May 20, 2020 and marks 50+1 on the same day in 2021.

Olumide is driven by one clear passion and purpose – to be so much a positive part of people's lives through sharing wisdom that they are grateful his path crossed theirs.

He achieves this principally by releasing the enormous wisdom through the power of information and knowledge from his repository unto his audience cut across all life's interests and locations. What's more; he simplifies his life applicable discoveries and researches so much; they make Common Sense to the most layman.

Olumide's earliest foray into the business of adding value to lives may have started as a relationship expert, he has since grown and diversified influence, thus emerging into a power house for paradigm-shifting resource with reverberating multiplier effects across the universe.

THE OLUMIDE EMMANUEL BRAND

Serving you value in so many creative ways:

Businessman - A Marketplace Apostle

Olumide Emmanuel is Chief Executive Officer, Common Sense Group; an organization of integrity with a combined experience and record of over thirty years of success in all business investment.

Common Sense Group has vested interest in Real Estate, Publishing, Travels and Tours, Training and Seminar, Media and Consulting.

He is behind the Common Sense Estate Development Project, which provides genuine and affordable land to interested subscribers for the development of their houses within the estate. The Real Estate project has helped thousands of people become proud owners of plots of land in Nigeria.

As a businessman, who has paid his dues over the decade, he is sought after on the board of many businesses and organisations, some of which he directly manages.

He is known as an Apostle in the market place because he is a businessman on a mission to make a positive difference in every business sphere where he plays.

He believes that after all is said and done, everything must be about God's Kingdom. He raises people along with him as he blazes the trail in business.

Olumide has repositioned with revamped capacity to reach more people under his marketplace apostolic dimension of service provision.

In this way, he keeps dishing out resources to the general public, driven by a great desire to help people by providing them with access to requisite information.

Having done this for years, he has become reputed on a global scale for creditably helping faith-based people make stronger sense of their presence in the secular sphere, challenging and showing them how to turn out the best results in the most legitimate ways.

For instance in his element as a proponent of marketplace dominance, he has pushed these strong ideologies by establishing platforms to propagate the ideals and prepare interested persons to take charge.

For instance, he is the Executive Director, The Entrepreneurship Academy (TEA), and Success, Business, and Leadership School (SBLS); where a new breed of entrepreneurs and kingdom ambassadors without greed are being raised, empowered and released for marketplace dominance.

He is also the President of the National Transformation Network (NTN), with core focus on grooming and propping people to take up electoral, political, administrative and advisory roles in the country.

Although he is teacher to teachers, Olumide never lags in acquiring relevant certifications. He holds an

Executive Masters Degree in Business Administration from University of Huddersfield in the United Kingdom and A Real Estate Executive Certificate with a special focus on Capital Markets, Project Finance, and Business Strategy from the prestigious Harvard Business School in the United States, and a doctorate in entrepreneurial leadership, amongst others.

Author and Content Creator

Dr. Olumide Emmanuel is a deep-thinking author. His writings are largely analytic, research-based, procedural, offering broad perspectives.

Although anointed, his books leave no stone unturned when it comes to painstaking research, captivating presentations and detailed deliveries.

Thus, his books have on this credibility, earned him the reading interests of total non-adherents of his faith and especially key operators in the local and global business and career spaces.

Perhaps one other thing that stands his almost 60 published books out, is the wisdom of presenting them in simple ways that endear them to and make them easy-to-read-and-understand resources for all and sundry.

Any wonder Olumide's books are well celebrated worldwide with eight of them already translated into other languages. He has proven that the power of printed words can be far reaching and preserved for generations.

He has written and still churns out volumes of books annually on his three core areas of expertise: Finance, Leadership and Relationship.

Apart from the medium of books, Olumide channels his enormous bouquet of genuine contents through many other platforms, including talk shows, events, conventional and new media.

He is a craftsman at the game as he and his team creatively segment contents to match needs of each platform.

'The School of Money', 'Wisdom for Winning', and 'Common Sense is not Common' broadcasts with millions of followers, apart from many other broadcasts aired on his Common Sense TV (CSTV).

Speaking of event hosting, he is the host of numerous seminars, summits and conferences including: The School of Money, Wisdom for Singles, Wisdom for Couples, Matrimony Summit, The New Rules of Love Summit, The Ministers Conference, Kingdom Conference, Kingdom CEOs Summit, etc.

Pastor

Rev. Olumide Emmanuel is the Lead Pastor of Calvary Bible Church with headquarters in Lagos, Nigeria.

He is the President of the Truth of Calvary Ministries globally and the overseer of a network of churches.

These include: Calvary Bible Church (CBC), The Empowerment Assembly (TEA), The Glorious Church International (TGCI), Common Sense Assembly (CSA) and The Nest Church (TNC).

He is also the President of the Ministers' Forum International (MFI) and the Kingdom Minister's Network. He trains and mentors a new generation of kingdom ministers and ministries, through the Olumide Emmanuel Ministries.
He is a lover of God, a solid teacher, preacher and a man of immense integrity who believes in balance.

Olumide is an ardent Bible scholar, a Christian role model, a kingdom minded person, a church leadership enthusiast and influencer, a Counselor, church planter and administrator.

His ministry is multi-dimensional by grace and gifting. This makes him a great gift to the body of Christ universally.

To the young people, he serves as a mentor; to the unlearned, he releases wisdom as a teacher of common sense; to the elderly, he takes wisdom to another level.

After every opportunity to share his life and gifts with them, Olumide regularly leaves his audience in awe of the great grace and depth of wisdom that he commands, thus earning him their respect. Olumide has travelled far and wide across the globe, making impact by making common sense of the Bible with testimonies to match.

Olumide is a die-hard giving Pastor in every form of resources at his disposal. Call it philanthropy, and you won't be wrong.

He dedicates a percentage of annual profit on his business ventures to assuaging the suffering of the masses, as well as encourages people in his circle of influence to do same.

He believes that everyone created by God has a right to a good life. He has thus, over the years, floated humanitarian projects such as Non-Governmental Organisation and foundations to prosecute these objectives.

Some of them include: the Dynamites Forum International (DFI), to help empower the youths and raise the next generation, and the Olumide Emmanuel Foundation (OEF), with the aim of eradicating poverty and establishing a positive legacy. He founded the Olumide Emmanuel Foundation out of the passion to see poverty eradicated in the lives of individuals, families and nations.

Olumide keeps fulfilling his multi-dimensional life purpose with his wife, Hon. Chief Mrs. Adenike, who's also a kingdom minister.

She is a proof of the marketplace possibilities that her husband teaches, as she is making a strong statement as a politician and business woman.

The couple is blessed with three children – Precious, Samuel and Enoch.

Hear It From the 'Horse's Mouth':

Excerpt from a recent briefing by Dr. Olumide Emmanuel

“I'm assured that if someone joins the Conclave right now, gets exposed to and follows our brand of training, coaching and mentoring, in less than five years; he'll arrive at the global stage.

“The Conclave wealth-creation template comes with tested wealth-sustenance techniques, offering practical exposure to global opportunities to buy into mega deals as a consortium, learning how best to diversify investment options, new ways to retain wealth through trust ... it's real solid and uncommon content.

“I am a global millionaire; I have the track record and I can show you the way to scale up to the global wealth dimensions.”

Are You Ready For That All-Time Shift?

Here it is: When you think of legitimate wealth creation and sustenance, networking strategically, and making global impact on a generational wavelength; look no further... Enlist in The Billionaires Conclave.
